

A bride and groom are walking away from the camera down a long, narrow aisle. The bride is on the left, wearing a white lace wedding dress with a long train. The groom is on the right, wearing a dark green shirt and khaki pants. They are holding hands and looking at each other. The aisle is lined with black chairs and white tablecloths. The walls are made of stacked stone, and the ceiling has a dark wooden beam structure with string lights hanging from it. A large window on the right side of the aisle shows a view of a mountain landscape. The text "KAPPS MOUNTAIN LODGE & VENUE" is visible on the window.

Our event spaces

Mountain hall and bar

The main hall is the jewel of our venue. It can host up to 250 people and boasts stunning views over the farm dam and valley. There is an adjoining large, rustic bar and the space has direct access to catering facilities.

Featuring our long doll wood tables included as part of the venue (optional)

Valleys Edge Patio and Bar

Here we have a patio, bar and dining facility perched on the edge of the valley, overlooking the majestic Auas Mountain range. This space is regularly used in conjunction with the main hall and lawn but can also be used as a stand-alone venue. It can accommodate up to 30-50 people seated and up to 100 standing.

The Sky Lawn

The lawn is perfect for welcoming drinks, ceremonies, lawn games, birthdays and much more. The space can accommodate up to 200 people and has an adjoining grass thatch roof and bar. We find that this is the ideal space for wedding ceremonies, the Auas mountain range providing a magnificent backdrop and picture perfect setting.

Whiskey Lounge

Make use of our Whiskey lounge as an additional space where you can relax and get ready for the big day or even host a private party!
